

For Immediate Release

H1N1 Clinic at Benton Central Basketball Game.

Benton County Health Department will be at Benton Central High School on Saturday, December 12, 2009 from 5:30p to 8:30p for H1N1 immunizations held in the Student Commons Area.

H1N1 immunizations are available to everyone at NO COST. Both the nasal spray and injectable will be available.

Injectable doses are for those 6 months and older with underlying medical conditions.

Nasal spray doses are for 2yrs – 49yrs who are healthy and not pregnant.

Signs and doors will be clearly marked for entry at Benton Central High School for the clinic.

For questions please call Benton County Health Department at 765-884-1343.
